The City shall honor its legal, equitable and contractual obligations to Holders of Claims in this Class. The legal, equitable and contractual rights of the Holders of Claims in this Class shall remain unaltered. Note that any reasonable attorney fees and costs incurred by the Holder, if legally entitled to payment of its reasonable attorney fees and expenses, and allowed by the Bankruptcy Court shall be treated as a Class 16 General Unsecured Claim or a Class 17 General

Unsecured Convenience Claim, as the case may be.

D. Class 4 \$750,000 General Obligation School Bonds.

1. Impairment and Voting.

The bonds are general obligations of the City, and all taxable property in the City is subject to *ad valorem* taxation without limitation as to rate or amount to pay the bonds and the interest thereon. Pursuant to R.I. Gen. Laws § 45-12-1, bonds, notes, and obligations securing bonds, notes or certificates are secured by a Rhode Island statutory lien on property taxes and general fund revenues. The lien covers only amounts representing principal of, interest on, and redemption premium on the City's Bonds, and does not include costs of collection. Subject to appropriation by the federal government and certain other conditions, the City receives an interest rate subsidy to pay interest on the bonds. Subject to annual appropriation by the Rhode Island General Assembly, the City receives state aid reimbursements for 97% of the principal on the bonds which is intercepted by the General Treasurer and paid directly to the paying agent to pay the bonds. Pursuant to R.I. Gen. Laws § 45-12-32, the City has directed that additional state aid be intercepted to pay the remaining 3% of principal.

This Class is Unimpaired by the Amended Plan. The legal, equitable and contractual rights of the Holders of Claims in this Class shall remain unaltered. Holders of Claims in this Class are not entitled to vote to accept or reject this Amended Plan. Under Bankruptcy Code § 1126(f), this Class is conclusively presumed to have accepted the Amended Plan.

2. Treatment.

The City shall honor its legal, equitable and contractual obligations to Holders of Claims in this Class. The legal, equitable and contractual rights of the Holders of Claims in this Class shall remain unaltered. Note that any reasonable attorney fees and costs incurred by the Holder, if legally entitled to payment of its reasonable attorney fees and expenses, and allowed by the Bankruptcy Court shall be treated as a Class 16 General Unsecured Claim or a Class 17 General

Unsecured Convenience Claim, as the case may be.

E. Class 5 \$4,250,000 General Obligation School Bonds.

1. Impairment and Voting.

The borrower bonds are general obligations of the City, and all taxable property in the City is subject to *ad valorem* taxation without limitation as to rate or amount to pay the bonds and the interest thereon. Pursuant to R.I. Gen. Laws § 45-12-1, bonds, notes, and obligations securing bonds, notes or certificates are secured by a Rhode Island statutory lien on property taxes and general fund revenues. The lien covers only amounts representing principal of, interest on, and redemption premium on the City's Bonds, and does not include costs of collection. Subject to an appropriation by the federal government and certain other conditions, RIHEBC receives an interest rate subsidy to pay interest on the RIHEBC bonds which is applied to reduce the payment required from the City on the borrower bonds. Subject to an annual appropriation by the Rhode Island General Assembly, the City receives state aid reimbursements for 97% of principal on the borrower bonds, which is intercepted by the General Treasurer and paid directly to the RIHEBC bond trustee to pay the borrower bonds. Pursuant to R.I. Gen. Laws § 45-12-32, the City has directed that additional state aid be intercepted to pay the remaining 3% of principal on the borrower bonds.

This Class is Unimpaired by the Amended Plan. The legal, equitable and contractual rights of the Holders of Claims in this Class shall remain unaltered. Holders of Claims in this Class are not entitled to vote to accept or reject this Amended Plan. Under Bankruptcy Code § 1126(f), this Class is conclusively presumed to have accepted the Amended Plan.

2. Treatment.

The City shall honor its legal, equitable and contractual obligations to Holders of Claims

in this Class. The legal, equitable and contractual rights of the Holders of Claims in this Class shall remain unaltered. Note that any reasonable attorney fees and costs incurred by the Holder, if legally entitled to payment of its reasonable attorney fees and expenses, and allowed by the Bankruptcy Court shall be treated as a Class 16 General Unsecured Claim or a Class 17 General Unsecured Convenience Claim, as the case may be.

F. Class 6 April 10, 2009 Lease Claim.

1. Impairment and Voting.

The Rescue Lease is secured by a Horton rescue vehicle Vin No. 1FDFX47R78EE39070. The fiscal year 2013 lease payment is secured by a Rhode Island statutory lien on property taxes and general fund revenues.

This Class is Impaired by this Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holder of the Claim. Accordingly, the Holder of the Claim in this Class is entitled to vote to accept or reject this Amended Plan.

2. Treatment.

On the Effective Date, the term of the Rescue Lease shall be extended by two (2) years, the annual principal payments shall be reduced by fifty percent (50%), and the annual interest rate shall be reduced by one percent (1%). The new payment schedule shall be as set forth in **Exhibit Q** filed herewith. All other terms and conditions of the Rescue Lease shall remain unaltered and in full force and effect. On or prior to the Effective Date, at either party's written election, the parties shall enter into a modified lease agreement reflecting these modifications.

G. Class 7 Retiree Health Insurance Claims.

1. Impairment and Voting.

This Class is Impaired by this Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holders of these Claims. Accordingly, the Holders of these Claims in this Class are entitled to vote to accept or reject this Amended Plan.

2. Treatment.

The Holders of these Claims will have their health care benefits modified in accordance with the restructured health benefits schedule set forth on **Exhibit C**, annexed hereto, and will be required to pay 20% co-share premium payments.

H. Class 8 Retiree \$10,000-and-Under Pension Claims.

1. Impairment and Voting.

This Class is Unimpaired by the Amended Plan. The legal, equitable and contractual rights of the Holders of Claims in this Class shall remain unaltered. Holders of Claims in this Class are not entitled to vote to accept or reject this Amended Plan. Under Bankruptcy Code § 1126(f), this Class is conclusively presumed to have accepted the Amended Plan.

2. Treatment.

The Holders of these Claims will not have their benefits reduced under the Central Falls Pension Plan as set forth in **Exhibit E**, annexed hereto. The City has determined, as a matter of governmental policy, that because the annual pension benefits in this group are relatively low, and the average age of the individuals in this group is older than the average age of the individuals in the other retiree classes, there is a smaller unliquidated benefit and therefore a lesser impact on the City and the Amended Plan. Moreover, the City has further determined, as a matter of governmental policy, that because these individuals have less ability to adjust and absorb a reduction in benefits, the City will not impact its most vulnerable retirees by reducing their benefits.

I. Class 9 Retiree-Reduced-to-\$10,000 Pension Claims.

1. Impairment and Voting.

This Class is Impaired by this Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holders of these Claims. Accordingly, the Holders of these Claims in this Class are entitled to vote to accept or reject this Amended Plan.

2. Treatment.

The Holders of these Claims will have their annual pension benefits reduced to \$10,000 under the Central Falls Pension Plan as set forth in **Exhibit E**. Although the strict application of the new pension plan formula would reduce these individuals' benefits to less than \$10,000 annually, the City has determined, as a matter of governmental policy, that it will not reduce benefits below this \$10,000 threshold. The City determined that because the annual pension benefits in this group are relatively low, there is a smaller unliquidated benefit and therefore a lesser impact on the City and the Amended Plan. Moreover, the City has further determined, as a matter of governmental policy, that it would be unfair to reduce benefits below the \$10,000 threshold.

J. Class 10 Retiree 45% Pension Claims.

1. Impairment and Voting.

This Class is Impaired by this Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holders of these Claims. Accordingly, the Holders of these Claims in this Class are entitled to vote to accept or reject this Amended Plan.

2. Treatment.

The Holders of these Claims will have their annual pension benefits reduced by fifty-five percent (55%) under the Central Falls Pension Plan as set forth in **Exhibit E**. Although strict application of the new pension plan formula would reduce these individuals' benefits to an

amount which would be less than forty-five percent (45%) of the amount of their pre-petition pension benefit annually, the City has determined, as a matter of governmental policy, that it will not reduce benefits below this 45% threshold. The City has further determined, as a matter of governmental policy that it would be unfair to reduce benefits below 45% of pre-petition pension benefits, and therefore, the City would lessen the impact of the plan on this group of retirees.

K. Class 11 Retiree Pension Claims.

1. Impairment and Voting.

This Class is Impaired by this Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holders of these Claims. Accordingly, the Holders of these Claims in this Class are entitled to vote to accept or reject this Amended Plan.

2. Treatment.

The Holders of these Claims will have their benefits reduced in accordance with the formula set forth under the Central Falls Pension Plan. All reductions in this Class shall be less than a 55% reduction of the Holder's prior annual pension benefits. See **Exhibit E**.

2. Treatment.

The Holders of these Claims will have their accidental disability retirement benefits modified in accordance with the restructured benefits schedule set forth on **Exhibit E** filed

herewith. Specifically, these Claimants will not have their benefits reduced by an Early Retirement Factor.

M. Class 13 Council 94 Claims.

1. **Impairment and Voting.**

2. **Treatment.**

The Holders of these Claims will have their compensation, health benefits and other benefits reduced under the Amended Plan in accordance with the Agreement between R.I. The Holders of these Claims had certain compensation and benefits reduced in accordance with the Pendency Plan instituted by the Receiver by Memorandum to “All Employees of the City of Central Falls” dated August 19, 2011, effective August 1, 2011. These claims were settled by Memorandum of Agreement entered into between the City and FOP Lodge 2 dated November 23, 2011 and approved by Order of this Court entered January 9, 2012. Pursuant to the Terms of the Memorandum of Understanding, these employees have agreed to vote to accept the Amended Plan, provided its terms comport with the terms of the City of Central Falls Rhode Island and Fraternal Order of Police Lodge 2 Collective Bargaining Agreement for November 23, 2011 to June 30, 2016, annexed hereto as **Exhibit U**.

2. **Treatment.**

The Holders of these Claims will have their compensation, health benefits, retirement benefits and other benefits reduced under the Amended Plan in accordance with the terms of the City of Central Falls Rhode Island and Fraternal Order of Police Lodge 2 Collective Bargaining Agreement for November 23, 2011 to June 30, 2016, annexed hereto as **Exhibit U**.

O. **Class 15 Local 1485 Claims.**

1. **Impairment and Voting.**

This Claim is Impaired by the Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holders of these Claims. Accordingly, the Holders of these Claims are entitled to vote to accept or reject the Amended Plan.

The Holders of these Claims had certain compensation and benefits reduced in accordance with the Pendency Plan instituted by the Receiver by Memorandum to “All Employees of the City of Central Falls” dated August 19, 2011, effective August 1, 2011. P. Class 16 General Unsecured Claims.

1. **Impairment and Voting.**

This Class is Impaired by this Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holders of these Claims. Accordingly, the Holders of these Claims in this Class are entitled to vote to accept or reject this Amended Plan.

2. **Treatment**

The Holders of these Claims shall share *pro rata* in the balance of the \$600,000 budget for Allowed General Unsecured after full payment of the distribution to Class 17 General

Unsecured Convenience Claims. The first distribution to the Holders of these Claims shall be made on or prior to June 30, 2013 from the balance of the General Unsecured Claims Pool after distributions are made to or reserves are created for the Holders of Allowed Class 17 General Unsecured Convenience Claims, and then the Holders of Allowed Class 16 General Unsecured Claims shall share *pro rata* on or prior to June 30, 2014, June 30, 2015, June 30, 2016 and June 30, 2017 from the General Unsecured Claims Pool. Notwithstanding anything set forth herein to the contrary, the total distribution to the Holders of these Claims will not exceed forty-five percent (45%) of the amount of their Allowed Claim. Any monies remaining in the General Unsecured Claims Pool after all distributions have been made shall be deposited in the City's Capital Fund.

2. Treatment.

The Holders of these Allowed Claims shall receive a one-time single lump sum distribution of thirty-five percent (35%) of the amount of their Allowed Claim from the General Unsecured Claims Pool on or prior to June 30, 2013.

R. Class 18 Property Tax Overpayment Claims

1. Impairment and Voting.

This Class is Unimpaired by the Amended Plan. The legal, equitable and/or contractual rights of the Holder of Claims in this Class shall remain unaltered. Holders of Claims in this

Class are not entitled to vote to accept or reject this Amended Plan. Under Bankruptcy Code §1126(f), this Class is conclusively presumed to have accepted the Amended Plan.

2. Treatment.

The City shall honor its legal, equitable and/or contractual obligations to Holders of Claims in this Class. The City has determined, as a matter of governmental policy, that because these Claimants overpaid property taxes to the City in error, they are entitled to be fully refunded. The City has determined that for administrative convenience, the overpayments will be credited to each Claimant's fiscal year 2013 property tax bill.

S. Class 19 State of Rhode Island Claim.

1. Impairment and Voting.

This Class is Impaired by this Amended Plan since the treatment of this Class will affect the legal, equitable and/or contractual rights of the Holder of the Claim. Accordingly, the Holder of the Claim in this Class is entitled to vote to accept or reject this Amended Plan.

2. Treatment.

Under Rhode Island Gen. Laws § 45-9-3(f), the City is required to pay the amounts sufficient for the proper administration of the Receiver and his staff or the State may deduct those funds from the City's distribution of state aid. Thus, the State could insist on full payment of the Class 19 State of Rhode Island Claim in the current fiscal year. However, in order that the City be able to achieve balanced budgets during the term of the Amended Plan, the State has agreed to limit its distribution during the Amended Plan term to (i) the appropriations provided in the Six-Year Financial Projection in the aggregate amount of \$600,000, plus (ii) all amounts recovered by the Claim Recovery Trustee pursuant to the terms set forth in the following paragraph, net of the Claim Recovery Trustee's fees and costs. The balance of Class 19 State of

Rhode Island Claim shall be paid after the Amended Plan term as set forth in the Six-Year Financial Projection.

Flanders vs. Moreau, et al. P.B. No. 10-5615 is a lawsuit pending before the Providence County Business Calendar in the Rhode Island Superior Court. That suit involved, among other things, determination of the issue of whether the Act Relating to Cities and Towns – Providing Financial Stability, Rhode Island General Laws § 45-9-1 *et seq.* (the “Fiscal Stability Act”) is constitutional. The Superior Court and the Rhode Island Supreme Court each determined that the Fiscal Stability Act is constitutional. Subsequent to those rulings, the Superior Court ruled that the mayor of City and the members of the Central Falls City Council (with the exception of James Diossa) (the “Elected Officials”) are liable for the reasonable attorney fees and costs incurred by the City in litigating the lawsuit. Pursuant to a Superior Court order, the City has filed a Proof of Claim with the Superior Court seeking \$238,455.34 in attorney fees incurred in connection with the lawsuit. The Elected Officials have objected to the Proof of Claim. The issue of whether the fees and costs requested by the City in the Receiver’s Proof of Claim were reasonable is currently being litigated by the parties.

The Elected Officials would have a conflict of interest when they are returned to full authority if they are required to litigate the claims against the Elected Officials on behalf of the City. Accordingly, bankruptcy counsel Orson and Brusini Ltd., shall continue to act as counsel to the City in *Flanders vs. Moreau et al.*, P.B. No 10-5615, even if the Elected Officials return to full authority while said lawsuit remains pending. The State shall advance the reasonable fees and costs incurred by Orson and Brusini Ltd. in connection with said lawsuit, and the City shall reimburse the State for said costs pursuant to the terms of the plan.

On the Effective Date, a trust (the “Trust”) shall be deemed created for the benefit of the

State, and all of the City's claims against Elected Officials shall be deemed transferred into the Trust including, without limitation, the City's claims against Elected Officials under any Final Order in *Flanders vs. Moreau et al.*, P.B. No 10-5615 ("*Flanders vs. Moreau*").

Also, on the Effective Date, Allan M. Shine shall be deemed appointed as "Trustee" of the Trust. The Trustee (and successor Trustees, if any), shall be impressed with the duty to make a good faith effort to collect the maximum amount reasonably attainable from any Final Order against Elected Officials, including a Final Order in *Flanders vs. Moreau*. Notwithstanding anything set forth below, the Trustee, not the City's or State's counsel, shall be responsible for **collecting** any Final Order against any Elected Official. A true and accurate copy of the Trustee Agreement between the Receiver, the State of Rhode Island and the Trustee is attached hereto as Exhibit 14.

The Trustee shall be compensated at the rate of twenty percent (20%) of any recovery by the Trust, plus reasonable out of pocket expenses, and the Trustee shall be authorized to immediately pay himself (or if a successor Trustee is a woman, herself) said amount from any recovery, subject to final review and approval by the Bankruptcy Court as part of the Trustee's Final Report. The Trustee may seek instructions from the Bankruptcy Court regarding any issue relative to his trusteeship. Within fourteen (14) days of any recovery obtained by the Trustee, the Trustee shall pay the balance of said recovery to the State, and said payment shall be treated as a credit against the balance owing to the State on account of the State's Allowed Class 19 State of Rhode Island Claim.

In the event that the Trustee resigns or is no longer able to serve, the United States Bankruptcy Court may appoint a successor Trustee.

In that event that there has not been a Final Order in *Flanders vs. Moreau* on the

Effective Date, the City's attorney shall act as counsel to the Trust until a Final Order is obtained in *Flanders vs. Moreau*. The State shall advance the costs of City's counsel for such services subject to reimbursement of those costs pursuant to the treatment of the Class 19 State of Rhode Island Claim, as described aforesaid.

If the State believes that the City has additional claims against Elected Officials, it may send a letter to the Trustee requesting that the Trust pursue those claims. Depending upon the Trustee's evaluation of any such claims, the Trustee may cause the Trust to pursue those claims, to decline to pursue those claims, and/or seek instructions from the Bankruptcy Court as to whether the Trust should or should not pursue those claims.

If the Trust pursues claims pursuant to the terms of the preceding paragraph, the State may offer the use of its counsel to litigate those claims. If the Trust elects to use the State's counsel to litigate those claims, the State shall advance the costs of its counsel for such services subject to reimbursement by the City pursuant to the treatment of the Class 19 State of Rhode Island as described aforesaid.

When the Trustee determines that no further amounts can be reasonably attained from Elected Officials, the Trustee shall file a Final Report with the Bankruptcy Court. At such time as the Final Report is approved by the Bankruptcy Court, the Trustee shall be discharged and the Trust shall be deemed dissolved.

In the event that after dissolution of the Trust, the Trustee discovers that there may be additional funds to be recovered for the benefit of the State, or there are additional claims that may be pursued against Elected Officials, the Trustee may file a motion with the Bankruptcy Court seeking to revive the Trust for that purpose, subject to all of the same terms and conditions set forth above.

V. ACCEPTANCE OR REJECTION; CRAM DOWN.

Each Holder of an Allowed Claim classified into Classes 6, 7, 9, 10, 11, 12, 13, 14, 15, 16, 17 and 19 shall be entitled to vote each such Claim to accept or reject this Amended Plan.

With respect to any Impaired Class of Claims that fails to accept this Amended Plan, if any, the City, as proponent of this Amended Plan, requests that the Bankruptcy Court nonetheless confirm this Amended Plan pursuant to the so-called “cram down” powers set forth in Bankruptcy Code § 1129(b).

VI. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

A. Rejection of Executory Contracts and Unexpired Leases.

Prior to the hearing on confirmation, the City shall file a “Rejection Motion” if there are any additional executory contracts and unexpired leases that the City seeks to reject. Any party whose executory contract or unexpired lease is rejected as the result of a Rejection Motion may have a General Unsecured Claim under Class 16 or Class 17, as the case may be. The Rejection Motion shall include the City’s recommendation as to the amount of allowance of said General Unsecured Claim, if any. The party to an executory contract or an unexpired lease that is the subject of a Rejection Motion shall have two (2) weeks to file an objection with the Court to said Rejection Motion on any legitimate basis including, without limitation, that the party believes that the executory contract or unexpired leases should not be rejected or that the party disagrees with the City’s recommendation as to the amount of allowance of its General Unsecured Claim. The Court shall then schedule a hearing on each Rejection Motion to the extent that the Court determines a hearing is necessary.

Parties whose executory contract or unexpired lease has already been rejected pursuant to a court order shall file a proof of claim with the Court as to the amount of their General

Unsecured Claim related to their rejected executory contract or unexpired lease prior to the hearing on confirmation. The City shall then have two (2) weeks to file an objection with the Court to said proof of claim. The Court shall then schedule a hearing on each such objection to the extent the Court determines a hearing is necessary. If the City does not file an objection to a proof of claim related to a rejected executory contract or unexpired lease, the proof of claim shall be deemed allowed.

All executory contracts and unexpired lease not rejected shall be deemed to be assumed by the City.

B. Assumed Executory Contracts and Unexpired Leases.

Prior to the hearing on confirmation, the City shall file a schedule of all assumed executory contracts and unexpired leases with the amounts, if any, that the City intends to pay the parties to the assumed contracts or leases as a cure payment. Simultaneous to filing said schedule, the City shall file motions to approve the amounts of each such cure payment (“Cure Payment Motion”). Any party whose executory contract or unexpired lease is the subject of a Cure Payment Motion, shall have two (2) weeks to file an objection with the Court to said Cure Payment Motion on any legitimate basis including, without limitation, that the party believes that the executory contract or unexpired should not be assumed or that the party disagrees with the amount that the City intends to pay as a cure payment. The Court shall then schedule a hearing on each such Cure Payment Motion to the extent that the Court determines a hearing is necessary.

Any party that believes that it has an executory contract or unexpired lease that is not the subject of a Rejection Motion or a Cure Payment Motion shall file a motion with the Court to require the City to assume or reject its executory contract or unexpired lease prior to the hearing

on confirmation (“Motion to Require Assumption or Rejection”). The City shall then have two (2) weeks to file an objection with the Court to each such Motion to Require Assumption or Rejection. The Court shall then schedule a hearing on each such Motion to Require Assumption or Rejection to the extent the Court determines a hearing is necessary.

VII. IMPLEMENTATION AND MEANS FOR IMPLEMENTATION OF THIS AMENDED PLAN.

Following the Effective Date, the City will continue to operate pursuant to the Central Falls Charter, the Constitution of the State of Rhode Island and other applicable laws. While the City has submitted a Six-Year Financial Projection with its Amended Disclosure Statement to allocate the City's unrestricted resources, annexed hereto as **Exhibit X** (the “Six-Year Financial Projection”), the City acknowledges and understands that financial plans and budgets are not fixed in stone, and that on-going adjustments will have to be made during the course of the six-year plan duration in order to enable the City to adjust to changing economic, operational needs and other conditions and contingencies. However, this Amended Plan and the City’s Six-Year Financial Projection represent the City's commitment to the binding treatment of the Holders of Claims in the various Classes as enumerated in this Amended Plan.

In the event that the City experiences an operating surplus at the end of a fiscal year, any surplus in excess of fifty thousand (\$50,000) dollars will be deposited into the City’s Capital Fund.

A. Claims and Causes of Action.

All of the City's claims, causes of action, rights of recovery, rights of offset, recoupment rights to refunds and similar rights shall be retained by the City, including, without limitation, any claims that the City may hold under Bankruptcy Code §§ 544, 547 and 548 and the other

avoidance provisions of the Bankruptcy Code. The failure to list in the Amended Disclosure Statement any potential or existing Right of Action retained by the City is not intended to and shall not limit the rights of the City to pursue any such action. Unless a Right of Action is expressly waived, relinquished, released, compromised or settled in this Amended Plan, the City expressly reserves all Rights of Action for later adjudication and, as a result, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches, shall apply to such Rights of Action upon or after the confirmation or consummation of this Amended Plan or the Effective Date. In addition, the City expressly reserves the right to pursue or adopt against any other entity any claims alleged in any lawsuit in which the City is a defendant or an interested party.

B. Compliance with Amended Plan Terms by Elected Officials or Fiduciary with the Power of Elected Officials.

1. City's Budget Must Remain in Balance during the Plan Term.

This Amended Plan is a contract between the City, on the one hand, and its creditors, including the State of Rhode Island, and its other major stakeholders, including its labor unions and its retirees, on the other hand. Although the City's elected officials, or a fiduciary acting with the powers of elected officials under the Act Relating to Cities and Towns – Providing Financial Stability, Rhode Island General Laws § 45-9-1 *et seq.*, shall continue to make policy decisions during the Amended Plan term, they may do so only to the extent that such policy decisions do not make the City's fiscal budgets unbalanced. So, for example, if in a given year, the City is required to pay more than it has budgeted for snow removal, or if the City replaces an employee creating an obligation to pay unemployment benefits, the City must find and demonstrate either additional revenues or reductions in expenditures to keep the City's budget in balance. It is the City's intention herein, to establish reporting requirements for the City so that

during the Amended Plan term, creditors, including the State of Rhode Island, and the City's other major stakeholders, including its labor unions and its retirees, will have adequate and timely financial information necessary to monitor whether the City remains in balance and whether the City is otherwise complying with the Amended Plan terms. It is also the City's intention herein to grant to creditors, including the State of Rhode Island, and the City's other major stakeholders, including its labor unions and its retirees, standing to seek specific enforcement from the Bankruptcy Court to comply with the Amended Plan terms if the City takes any action(s) which makes the Amended Plan not in Material Conformity with the Amended Plan terms.

2. Reporting Requirements.

Within thirty (30) days after the City enacts a budget or an amended budget, each person acting with the powers of an elected official (i.e. the Mayor and each City Council member or a state-appointed fiduciary, as the case may be) shall be required to sign an "Annual Attestation Form," in the form set forth as **Exhibit S** annexed hereto, attesting, under oath, that to the best of his or her knowledge and belief, the budget is in "Material Conformity" with the terms of the Six-Year Financial Projection, **Exhibit X**, or to the extent that the budget is not in Material Conformity with the Six-Year Financial Projection, to identify the specific line items in the budget that are not in Material Conformity with the Six-Year Financial Projection. "Material Conformity" shall mean that the budget is consistent with the Six-Year Financial Projection and/or that any increase in expenditures in any line item is offset by increases in revenues based upon additional revenues and/or decreases in expenditures. Any assumptions regarding any such additional revenues and/or decreases in expenditures must be reasonable. Each Annual Attestation Form shall be electronically filed with the Bankruptcy Court and a copy shall be sent

by first class mail to the Rhode Island Director of Revenue at Rosemary Booth Gallogly, Director of Revenue, State of Rhode Island, Department of Revenue, One Capitol Hill, Providence, Rhode Island 02908.

In addition, within fourteen (14) days after each elected official files each Annual Attestation Form, the Administrative and Finance Officer appointed under R.I. Gen. Laws § 45-9-10 shall file an “Annual Administrative and Finance Officer Statement” in the form set forth as **Exhibit S** annexed hereto stating that he or she agrees or disagrees with the attestations of an elected official. If the Administrative and Finance Officer disagrees with the attestations of the Elected Official, he or she shall explain why. The remainder of the State's claims will be paid outside of the terms of the City's Fourth Amended Plan in accordance with 2012 R.I. Pub. Laws No. 12-241 § 6 which recognizes "that the City of Central Falls does not currently have the financial ability to reimburse the State in full for said expenses and may need additional

Unless otherwise ordered by the Bankruptcy Court, the City shall file and serve any such objections to Claims by the earlier of (i) the date such distribution would otherwise be due or (ii) not later than one hundred and eighty (180) days after the Effective Date (or, in the case of Claims lawfully filed after the Effective Date, by not later than one hundred and eighty (180) days after the date of filing of such Claims).

B. Reserves, Payments, and Distributions with Respect to Disputed Claims.

Prior to making a *pro rata* distribution to Holders of Class 16 General Unsecured Claims or Class 17 General Unsecured Convenience Claims, the City shall reserve from the amount of the distribution a reserve for such Class 16 General Unsecured Claims or Class 17 General Unsecured Convenience Claims to the extent that such Claims are Disputed Claims. The amount reserved for each such Claim shall be on the same *pro rata* basis as the distribution to Allowed Class 16 General Unsecured Claims and Allowed Class 17 General Unsecured Convenience Claims, as the case may be, based upon the lesser of (a) the amount asserted by the Holder of the Claim to be owing, and (b) such amount as the Bankruptcy Court may estimate for all distribution purposes upon motion of the City, which motion may be made initially or from time to time.

At such time as a Disputed Claim becomes an Allowed Claim, in whole or in part,

the City or its agent shall distribute to the Holder thereof the distributions, if any, to which such Holder is then entitled under this Amended Plan. Such distributions, if any, shall be made as soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed Claim becomes a Final Order (or such other date as the Claim becomes an Allowed Claim), but in no event more than sixty (60) days thereafter. Unless otherwise specifically provided in this Amended Plan or Allowed by order of the Bankruptcy Court, no interest shall be paid on Disputed Claims that later become Allowed Claims.

To the extent that a Disputed Claim is disallowed, the amounts held in escrow for that Disputed Claim shall be removed from escrow and re-allocated to the remaining Allowed Claims and Disputed Claims for pro rata distribution or escrowed for distribution on the next scheduled payment date.

X. EFFECT OF CONFIRMATION.

A. Discharge of the City.

Pursuant to § 944 of the Bankruptcy Code, upon the Effective Date, the City shall be discharged from all debts (as defined in the Bankruptcy Code) of the City and any claims against the City other than (a) any debt specifically and expressly excepted from discharge by this Amended Plan or the Confirmation Order, or (b) any debt owed to an entity that, before the Confirmation Date, had neither constructive notice, notice nor actual knowledge of the Chapter 9 Case.

services rendered and reimbursement of expenses incurred prior to the Effective Date;

11. To hear and determine all disputes or controversies arising in connection with or relating to this Amended Plan or the Confirmation Order or the interpretation, implementation, or enforcement of this Amended Plan or the Confirmation Order or the extent of any entity's obligations incurred in connection with or released under this Amended Plan or the Confirmation Order;

12. To issue injunctions, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any entity with consummation or enforcement of this Amended Plan;
