**Scope of Services:**

PAL is providing professional consulting services to the City of Central Falls in order to develop the 1978 Historical Preservation Report Update as a Historical Preservation Plan and Historic Resources Survey update for Central Falls. This Supplemental Task Authorization is PAL's request for additional compensation due to unanticipated level of effort and scope increase that was required to complete the survey update and that will be needed to fully address review comments from the City and the Rhode Island Historical Preservation and Heritage Commission. This supplemental work will be performed in accordance with our Task Authorization dated December 12, 2019. Your signature below indicates acceptance as outlined in our Task Authorization and in PAL's Terms + Conditions both incorporated by reference herein. Accordingly, please sign and return this contract, retaining a copy for your files.

**Project Manager Approval:** Virginia Adams, Senior Architectural Historian

Please execute the Contract to proceed with the outlined scope of services and cost.
