Task No: 00014C

Task Title: River Island Park Improvements

Task 14 C- Description- RIDEM Preliminary Determination Application:

Task 14C- RIDEM Preliminary Determination Application:

This task includes the preparation of a primary determination application to RIDEM for the proposed improvements at River Island Park.

This proposal assumes that permitting will be completed as a Preliminary Determination. If RIDEM requires that an individual permit to Alter Freshwater Wetlands is required, we will complete that application as part of a second proposal. Six (6) hours have been budgeted to respond to RIDEM comments.

The Town will be responsible for application permit fees and filing the permit in their land use records.

We propose a lump sum fee for this subtask and will be billed on a monthly basis as a percentage complete.

Fees:

SubTasks	Basis	Hours	Fee
14C RIDEM Preliminary Determination Application	Lump Sum	59	\$7,500
• Research and Task Initiation		6	\$750
• Prepare Application Form, Affidavit, Narrative & Figures		35	\$4,550
• Client Correspondence and Task Management		6	\$750
• Production & Assembly of Application		4	\$400
• Response to DEM Comments		8	\$1050
