

COVID-19 Vaccination Opt-out Form

The City of Central Falls requires all city employees, including temporary, part-time, volunteer, and contract staff, to either have completed a full vaccination series against the COVID-19 virus or opt out and agree to submit to weekly polymerase chain reaction (“PCR”) testing. In addition to submitting to PCR testing, personnel opting out of vaccination must file this Declination Form with the Department of Human Resources before October 15th, 2021, or immediately upon hire.

The reason I am opting out is:

- ☐ Medical
- ☐ Religious
- ☐ Personal
- ☐ Other:

☐ I understand that in addition to completing this form, I am expected to agree to submit to weekly PCR testing, and understand that failure to do so may result in disciplinary action.

☐ I understand that the City of Central Falls may change its vaccination policy in the future and require additional measures for those who are unvaccinated.
